PICTURE DAY

Picture day is a very busy time at the studio. There are many students and parents present. Costume changes are happening and the photographer is posing and taking pictures of our students in the most professional and efficient manner possible. In order to make the experience a positive one, we suggest the following:

- Dancers must arrive **20 minutes** before scheduled time!!
- Dancers must be in full costume.
- Dancers must arrive in full stage hair & make-up.
- Limit the number of people; if possible make arrangements for siblings.
- Work as a team to prepare all members of your group for the pictures.
- Please! Leave drinks and snacks at home that day.
