Self Esteem Through Dance

June 15, 2010

Dear members of the CNDC dance community:

As the 2009/2010 dance season comes to a close, I would like to express how proud I am of all our dancers. Our Silver Anniversary Celebration at the May 30th recital was a great success. Congratulations to all our dancers for their achievements over the past year and we wish you continued success this weekend at the NEDF Competition.

I would like to take this opportunity to address some of the changes that will be coming to CNDC in the 2010/2011 season. Instructor Debbie Beal will be leaving the faculty to pursue new opportunities. Over the past 25 years I have had the honor of watching Debbie grow from a young performer to a mature instructor. We wish Debbie well on her new venture, she will be missed.

CNDC will be welcoming back Tina Fosman. Along with me, Tina will be instructing our older team members. Tina has been a dance educator for over 20 years and brings a passion for dance and award winning choreography to her students. Tina's return will also allow me the time needed to focus on developing the young dancers in the studio. Welcome back Tina!

Another addition to the CNDC team, as studio manager is Nikki Carr. Nikki has a long history and experience with the business aspects of dance studios, combined with 15 years of professional management experience. She holds a degree in psychology, specializing in young adults. Welcome aboard Nikki!

Lastly, I would like to express how fortunate CNDC is to have the longevity and consistency of faculty and staff. I am so pleased that Janet Armstrong, Jenn Burpee, Angela Conte, Mary Doherty, Ashley Moniz and Linda Stroumbos will all be present to welcome our students back; along with a few alumni returning to share their dance styling's with the students.

As we enter our 26th year of business we look forward to providing an environment where dancers can grow as individuals through the art of dance.

Sincerely,

Carlene
