## Picture Days

**Saturday, May 22 and  
Monday, May 24**

Masks will be required in the studio on Picture Day. Dancers posing for an individual photo can remove their mask briefly, with a parent's permission, otherwise the photo will be taken with the mask on. Group photos will be taken with masks on! We understand this is not ideal for a group photo, but it is the safest way! **You are not obligated to purchase a group photo** even if your dancer is in the picture.

### A few pointers for picture day:

- Dancers must arrive no more than 10 minutes prior to scheduled photo time-please arrive in costume and photo-ready!
- Dancers must be in full costume for photos (don't forget their dance shoes!)
- Dancers must arrive in full stage makeup, with hair done.
- One chaperone per student, please! **No additional guests allowed.**
- Order forms will be available at the front desk. All payments for pictures go to Natural Expressions Photography they accept Personal checks or Credit cards. Please use one form per costume (for dancers with multiple costumes)

Picture Day schedule will be emailed soon!

## Recital Information

Recital packets will be going out in May! Each family will be receiving a package that will have all the necessary information for tickets, rehearsals, & recital. Please read everything over carefully. If your family does not receive a package, please let us know!!

## Volunteers Needed

Once again, we need female chaperones to help us at the recital!! Volunteers will receive one complimentary recital ticket. Please contact the front desk to sign up!

## Dress Rehearsal

Dress rehearsal is a closed, non-public session! DUE TO SPACE/ OCCUPANCY LIMITATIONS, each student is allowed to bring **ONE** parent or chaperone. **No** other family or friends will be admitted. CNDC staff will be monitoring the auditorium and unauthorized guests may be asked to exit the building. Thank you for your understanding!
